Subject: Sponsorship for an existing Christian school in Australia

Dear WWCS staff

We are a small Christian school in the Australian Outback which is in need of a third teacher in our primary section. At present we only have two teachers for pre-school up to year 6; more or less 55 students. Due to the ongoing drought in the Australian Outback we have lost several families the past two years, as well as our third teacher. At this stage some parents are taking their children out of our school due to the size of the classes.

Can you support us in this project or can you recommend an organization that might be willing to help us?
